* Please note: The information above is based on "on-file" ASIC data and may not be complete. To confirm current and previous directorships held by an individual please purchase a director extract for a comprehensive report. It is possible that directors with similar names, but with no association to the company, could appear in the cross-directorship section.

Company Office Holders

Every registered company has directors and officeholders. This section will identify those individuals and will include their roles, appointment dates, addresses, dates of birth, and birth details. For a more comprehensive understanding of an individual, a Personal Name (Director) Search can be performed (at an additional cost), which lists all their directorships and shareholdings.
